Echo Login Instructions

To login to the parent portal within Echo and view your student's grades and class information, please perform the following steps:

1. Go to <http://samueli.echo-ntn.org>
2. Enter your username and password. The username will be your email address on file with the school. The default password will be: Firewolves1. You may have to click the little arrow button in the top right corner to make the username and password fields visible.

3. On the Home Page, you will see an area for Announcements, To-Do's, and icons for each class with the current percentage grade in the circles.

4. On the left column, you can see the Calendar icon. Selecting this will bring up a calendar view of assignments and other activities in all classes.

- The Gradebook icon looks like a little speedometer. Selecting this will give you a listing of all classes and current grades, including the rough breakdown of each category.

The screenshot shows the parent portal interface. At the top, there's a navigation bar with 'Options' and 'Print' buttons. A green arrow points to the 'Print' button, and a green box contains the text 'Print Here!!'. Below this is a row of five speedometer icons representing different categories: Agency, Collaboration, Knowledge & Thinking, Oral Communication, and Written Communication. The gradebook icon in the sidebar is highlighted with a green box. The main content is a table with the following data:

Course	Score	Progress (gradable)	Progress (all activities)	Ag	Co	Kn	Or	Wr
