

Volunteer Opportunities

Mission: To provide a transformational learning environment to community, underserved and foster teens that offers consistency, stability, support and a community in which to belong, thrive, and grow into successful, independent adults.

After-School Program

Volunteers are needed to help support extra-curricular activities. Bring your special talent and/or skill to help our athletic, art and music programs thrive. *Weekdays 3:30PM-5:00PM.*

Classroom Assistant

Samueli Academy teachers are looking for dedicated volunteers to provide assistance during classroom instruction and/or after-school. Help teachers prepare presentations, class materials and other special tasks. *Weekdays (Varying Times)*

Cafeteria Volunteer

Help encourage healthy eating habits! Volunteers are needed to help in our cafeteria prepare breakfast, snack and lunch to students. *Weekdays 7:00AM-4:00PM*

Office Support

Help provide administrative support to our front office team. Assist with greeting guests, checking-in volunteers, light clerical work and support of other special office projects as needed. *Weekdays during school hours.*

Authentic Audience

Become a member by listening and critiquing student project presentations, with other business professionals and community leaders. Your help will build self-confidence and improve student communication skills.

Career Mentor Program

Every Academy student participates in career readiness activities, preparing them for the work world. Volunteer career mentors share their career experiences in their field of expertise during once a month group meeting with students. Curriculum is provided, and our mentor's knowledge and guidance is motivating as our students explore the many career opportunities available!

Special Events

Help make our events memorable. Volunteers are needed to help with Community Nights, dances, and other school related activity events. *Evenings and Weekends.*

After-School Academic Volunteer

Help students develop healthy study habits, gain confidence and improve academic performance, primarily in English and Math. As an academic volunteer you are helping to prepare students for success in high school and beyond. *Weekdays from 3:30PM-5:00PM.*

Volunteer Parking Lot Attendant

Parking lot attendants help ensure the safety of students, parents, staff and special guests by managing and facilitating the flow of traffic in our busy parking lots. **(Parking Lot Attendants are provided an orange safety vest.)**

Weekdays before and after school.
